Re: Casting for *Beauty and the Beast*

The accompanying resume and photo is in response to your listing at Auditionjobs.com.

I am particularly interested in auditioning for a major role in this production, because my theater experience as a performer has prepared me for the challenges associated with a major Broadway production. I am looking forward to using my knowledge of the *Beauty and the Beast* score and my experience in similar roles, to learn the choreography of the production quickly and present a successful production.

I would appreciate the opportunity to meet with you to discuss how my experience would best meet your casting needs. You may contact me via cell phone/pager anytime toll-free at (555) SUS-ANNA (787-2662).

Creative Casting Agency has the reputation of producing and casting some of the finest shows on Broadway. It would be an honor to be associated with your reputable production company. I look forward to hearing from you. I will call within a week to follow up.

Sincerely,

Susanna Camacho
